WAIT LIST

No wait list exists.

THURSDAY NIGHT SET-UP

The building will be open for set-up only from **5:00 to 6:30 pm**. Tarps or barriers must be placed under your crates to protect the flooring. The Wellness Center will **close at 6:30 pm** on **THURSDAY**. Those who want to help set up the rings can come at 3pm and put down a tarp and then after all is set, may set up their crates.

The building will open at 7:00 AM Friday, Saturday & Sunday.

It will close on Friday and Saturday nights as soon as everything is set up for the next day's trial.

If your dog is reactive (dogs that lunge, excessively bark or threaten dogs or people who walk by) they should be crated in a minimal traffic area. Please do not crate near the entrance or exits from the crating area or the doors to the outside. We appreciate your cooperation in this area.

VOLUNTEER WORKERS

The worker schedule for the trial is being sent to you separately. Suzy Pare (volunteer coordinator) says: Thank you for working if you volunteered, and even bigger thanks if you didn't volunteer but we scheduled you anyway. Please review the schedule carefully and contact me at PAREDOG@IX.NETCOM.COM if you have concerns no later than the Sunday before trial. You will note that there are some open spaces. This will give you the opportunity to sign up when you get there and please do so! Thanks for your assistance and good luck to everyone.

MEASURING OF DOGS

We will have a VMO at our trial. Measuring will be done between 7:00 & 8:00 each morning and at other times during the day during course building. Dogs that have their first temp measurement and are less than 2 years old will not need to be measured.

PS: Regardless of what is stated on your confirmation letter, if your dog needs to be measured it is your responsibility to have your dog measured.

FOOD

Excellent food will be available on site from the Wellness Center cafe. Fast food restaurants nearby. No food or drink permitted inside the track.

The only set time is the 1st dog on the line in each ring. Times may vary by an hour or more in either direction. This schedule does not take into account move-ups, absents and/or shorter/longer course changes. Times are Eastern Time Zone times. Note **the start times for Ring 2 on Friday and Sunday were adjusted to avoid time conflicts. Also, if we have conflicts between FAST and T2B, we will hold one of the rings. Everyone will be able to walk and run their dogs.**

IMPORTANT

Don't forget to check in with the gate steward before you walk your course or even earlier if you think about it. If you don't check in and they pass your number, you could be marked absent.

Thanks

Show Conditions

Indoors on soccer flooring in 100' by 100' rings. Contacts have a rubberized surface. The site is air-conditioned. Coolness: The facility is kept at a constant temperature of the high 60's year round. It cannot be changed as it is computerized and even the manager cannot change it. Exhibitors are advised to bring a sweatshirt (although the dogs will love it!)

Limitations

Only water is allowed inside the track area. NO FOOD. The dog exercise area will be outlined behind or beside the building. Please look for signs. There will be pickup bags available. There is also a very nice community park. You are welcome to walk your dog in it, on leash, if you pick up.

Do not leave your dog unattended in any of the motel rooms. Please pick up after your dog(s) at the motel, in the park, and in the Wellness Center – everywhere! **Failure to pick up both at the trial site and at the motel will mean expulsion from the show with no refund.** Please do not allow your dog to urinate on or in the building at the motel or the show site.

CVGRG Raffle

The Golden Retriever Club will be offering a very nice raffle at this trial. Here is where the proceeds will be going.

- 1) UC Berkeley Longevity study for Golden Retrievers
CVGRC will be holding a "Super Clinic" on Saturday, Sept 15th at the Mantua Veterinary Clini (4789 E High St, Mantua OH 44255, Phone:(330) 274-8211) from 9-3 PM. They will be taking reservations for heart and eye clearances. They are also looking to test any Golden Retriever (at no cost to the owner) age 12+ (simple blood draw) with a 5 generation pedigree for this study. CVGRC will pay for the blood draw and shipping of sample/paperwork to Berkeley. Dr Robert Hamlin will be evaluating hearts, Dr Jennifer Kartley will be attending to the longevity sampling, and the ophthalmologist is yet to be determined.
- 2) Pet oxygen masks
CVGRG is working with a local fire/emergency department to secure pet oxygen masks at no charge to the department.

School Supplies and Toiletries Collection

Please join us in collecting school supplies and toiletries at the Niles Wellness Center, August 10-11-12 for inner city youth.

Last year Malachi House was thrilled with the donations of school supplies we collected. They gave each child a back pack filled with pens, pencils, paper, notebooks, rulers, markers, crayons, and anything else that was collected.

Here is where we donate-- Malachi Center in Cleveland , Ohio . www.malachicenter.org/

It is staffed by wonderful volunteers and the atmosphere is very warm and friendly. This is an inner-city organization that serves low income and homeless families with a variety of wonderful programs.

They also have one of the only shower programs for homeless people in the city of Cleveland so if you have any toiletries you would like to donate this is the time to do it!

Please bring your "BACK TO SCHOOL SUPPLIES" and toiletries to our August 10-11-12 trial and join other good-hearted dog people in sharing with those less fortunate. As an added bonus, Ohio has a tax-free week-end for school supplies on August 3 through August 5.

Thank you!!
