

CLEVELAND ALL-BREED TRAINING CLUB, INC.

AWARDS POLICY & QUALIFICATIONS CRITERIA

2018 Update

INTRODUCTION and HISTORY

CABTC's awards policy as introduced in 1991 instituted THE HONOR WALL, which exhibits both permanent awards and annual awards. The annual awards include all AKC titles plus titles awarded by any nationally or internationally recognized kennel club earned during the previous calendar year. Top Team Awards for various categories are based on AKC titles and scores.

CABTC, as a member club of the AKC, encourages and provides training and trials for performance/companion dog events. The intent of our awards is to promote dedication and excellence in these areas. The permanent awards displayed on the Honor Wall are based on AKC titles and scores and are not breed specific, meaning that the titles are open to all breeds.

The President's Award recognizes a behind-the-scenes person who displays outstanding sportsmanship, dedication, and service to CABTC and to the sport of dogs. This person, unnoticed by many because they are not a glory seeker, needs to be honored since they are the backbone of many club events and activities. This is not necessarily an annual award and is left to the discretion of the president and the awards committee.

The awards committee is to be made up of three members in good standing with the AKC and CABTC, one a CABTC board member. The awards committee may submit a request to the board for a special award and must get board approval.

ANNUAL AWARDS QUALIFICATION CRITERIA

- All AKC titles, and any title from a venue for which you have to register your dog.

 1. Instructed or worked at the training building during the award year,
 2. or has worked at CABTC's events,
 3. or has served on a CABTC committee.
- Awards are based on the calendar year. Two thirds of the title/points must be earned after becoming a member in order to apply for any award: at least two legs on a title, 67 points toward an OTCH, six legs toward a UDX, MX, MXJ, RAE, ten points toward a conformation championship. 500 points and 14 double Q's toward a MACH.

- A 3 ½ x 5 horizontal photo is required for each Annual award. A 3 ½ x 5 vertical photo is required for each Top Team award.

- Two 8x10 vertical photos are required for each Permanent Honor Wall award – one for the wall and one, if you wish, to take home.
- No plaque will be engraved, awarded, or displayed without a photo.

THE HONOR WALL

Included are both picture awards and also the large permanent plaques. The Honor Wall is only for AKC achievements because we are an AKC Member Club. We do not include any breed-specific awards that are not achievable by all dogs.

Picture Awards

When a member earns one of the following awards, a framed and matted 8x10 vertical photo with a typed name, accomplishment, and date is permanently hung on the wall. In addition, a framed and matted photo with engraved information is given to the owner to take home. (If you do not want a take home copy, please indicate that on your awards form.)

Please note: we do not create a new award when the 2, 3 etc. is earned on the original title – i.e. MACH2. However, upon the retirement of this dog, the awards committee will accept a one-time update to replace the printed information on the original permanent picture award.

THE ANNUAL AWARDS

The annual awards are displayed at the building for one year and then the owner may take them home. There are two categories:

1. Titles Earned – Any AKC title and any title from any other venue where you register your dog.
2. Top Team Awards – AKC obedience and agility only. See below.

Obedience Top Team Awards (AKC only)

These awards were introduced in an effort to encourage our members to show more than just three times to earn their titles. The team's top scores in a level are averaged in order to find a first and second place team. Guidelines:

1. The member must instruct or train at CABTC to earn these awards. We honor our students, not someone else's students.
2. Categories are split by "A" and "B" classes to encourage new people to participate. They are also split by those earning titles in the "B" classes vs. those more advanced teams that continue to show in the "B" classes.
 - a. The "A" class categories require the member to submit a minimum of three scores per category. Categories are Novice A, Open A, Utility A.
 - b. The "B" class categories require five scores to be submitted per category. Categories are Novice B, Open B (going for legs), Utility B (going for legs).
 - c. Open B and Utility B teams that continue to show for higher obedience titles (OTCH, UDX) have separate top team categories. These require five scores to be submitted per category. Categories are Open B, Utility B, High Combined (OB/UB double Q same trial), High OTCH points.

Agility Top Team Awards (AKC only)

The team's top scores in a level are averaged in order to find a first and second place team.

The member must instruct or train at CABTC to earn these awards. We honor our students, not other people's students.

Novice A, Novice B, Open, Excellent:

The member will submit three scores of 100 (clean run) per level from the standard class only, including the standard course time and the team's actual run time. Awards are based on the most seconds under standard course time.

Master:

1. **Top MACH Team Award** is based on MACH points plus ten points for each double Q earned in Master Standard and JWW during the year.
2. **Top Team Speed Award** is based on MACH points earned in Master Standard and JWW during the year.
3. **Top Team QQ Award** is based on the number of Double Q's earned in Master Standard and JWW during the year.
