Richard and Karen Hardy would like to assist the Club in fulfilling its mission to promote the training of dogs and their handlers/owners. They have already volunteered at scent trials. They became involved with CABTC in 1997 when their first Golden's breeder recommended they take puppy classes. They did and have taken classes throughout the years with their remaining four Golden. Currently they are taking scent class with their almost 4-year-old Golden, Hailey, and Performance Puppy with their 10-month-old Golden, Darcy. They have stewarded a few scent trials. Richard recently retired after a 42-year legal career and has served on boards for various non-profit organizations. Karen was a probate and tax paralegal and Deputy Tax Administrator for Bay Village. Karen has been a volunteer with the Ronald McDonald House Charities for ten years. They raised two kids and currently reside in Bay Village. They enjoy spending time on Cape Cod with Hailey, Darcy, their kids, and grandkids. Richard enjoys working with their dogs, running, skiing, kayaking, playing acoustic guitar, and reading. Karen enjoys training dogs, rowing crew, recreational biking, kayaking, book club, and gardening.

Cheryl Lee is studying agility with Susan Haskell and Cheryl Sacerich. Playing with her dog is her main passion. She has volunteered six full days at CABTC's agility trials and has found those involved to be very dedicated, knowledgeable, and friendly people. It is an organization that she would be proud to be involved with and help to promote, train, and trial at. Cheryl's love of animals started when she was a toddler. Her mom said 'dog' was her first word and she has never been without at least one dog in her life...a blessing for sure. For many years she trained and showed horses in dressage. With her last horse, she competed to Prix St. George level very successfully – the 2nd highest level of dressage in the world. Bomb's A Rae, aka Bomber, was an amazing horse that she rescued off the racetrack. April Skye, her young Lab, is the first dog she has trained with serious hopes to trial. She doesn't know where Skye will take her, but she knows it will be fun.

ROCKING IT!

Belgian Malinois, Jagger, finished her Preferred Open title at the GSD show held at CABTC in March. Jagger also finished her Versatility title at the March CABTC obedience show.

Brussels Griffon, Ruby, showed in Utility A at the CABTC show and did her articles and go outs with superb style. At 10, she feels that is MORE than sufficient.

Max, Brussels Griffon, almost 15, wonders why his ass-hat sister, Ruby, can't get her act together and get her UD, something her mom has wondered for YEARS. Obviously Ruby is in NO hurry.

My Labrador Retriever, Hartley, earned his Agility Grand Champion title on April 18th at the Erie Kennel Club trial under Judge Dave Hirsch. Hartley is now AGCH MACH4 CW-OC Rhumblin's Midnight Sun OM1, UDX, JH, SWN, HDM, DM, AS.

Golden Retriever, Timber, had a good weekend at the Youngstown All Breed Obedience Trial. On Saturday, April 10th, he earned his AKC Utility Dog (UD) title and, on Sunday, April 11th, his AKC Preferred Utility Dog (PUTD) title.

Tyson is now a registered therapy dog. Thanks Debbie and Amanda!

Rayne loves to run as evidenced by her newest title, Coursing Ability Advanced (CAA).

CABTC TRACKING – TD/TDX TEST

Thank you to CABTC members Rosemary Janoch, Lisa Trombo, Deb Peck, Mike Lehman, and Julie Blair for a successful tracking test May 9th at the lovely Notre Dame Education Center in Chardon, OH. We had four TD entries and four TDX entries. The weather Saturday for plotting was cool and wet but nice. On Sunday for the test, we had light rain in the morning followed by increasing rain that turned to snow. Ugh. Fortunately, most of the dogs thought it was great! We had all four TDs pass (one of them our very own Steve Likevich and Golden, Breaker, handled by Dori since Steve had to be out of town)! And in the rain and snow, two of our TDXs passed (both Malinois). Quite a successful test by any standard.

We also want to thank Buckeye Tracking Club members Ken Barna (who judged), Janet Dayton, Lois Dayton, and Diana Simpson. We were joined by our other judge, Marty Siegrist, from Michigan. It takes a village to put on a tracking test and this village goes above and beyond.
