

Updated June 2, 2021

Dear CABTC Students,

Consistent with the latest CDC guidance and Ohio Governor Mike DeWine's recent update, those fully vaccinated are no longer required to wear masks but those unvaccinated are urged to continue to wear masks. We agree with this guidance and urge all those unvaccinated to continue to wear masks while participating in Cleveland All-Breed Training Club classes.

This is a welcome step in our journey to fight Covid-19. We thank all instructors and students for wearing masks these many months and for complying with the Club's stated safety protocols that remain in effect as listed below.

Please keep in mind some instructors may require facemasks be worn in their classes so please be prepared to comply with such a request. Also, some individuals may not be able to receive a vaccination or may simply choose not to get one. CABTC will not ask for proof of vaccination but we urge unvaccinated and at risk participants to wear masks for their own safety.

We invite you to participate in classes and will require you to follow these rules to best protect everyone present:

- **MASKS:** Those fully vaccinated are no longer required to wear masks but those unvaccinated are urged to continue to wear masks over the nose and mouth while in the building. (Some instructors may require students to wear masks.)
- **SOCIAL DISTANCING:** Practice social distancing as much as possible. Our training spaces are ample and instructors will continue to spread teams out fully using the space available.
- **SANITATION:** Wash hands frequently and thoroughly. Use hand sanitizers positioned liberally throughout the building.
- **CRATING:** You are welcome to bring your own. If using club X-pens please sanitize with the spray provided at the end of class.

RESTROOMS: As you use the restroom please spray the handles and doorknobs with the sanitizer provided.

Please study these rules carefully to make sure you understand the new requirements and are willing to abide by them.

In addition, you will be required to sign a release about Covid-19.

CABTC Board
