Cell phone reception is poor at the test site. If you need to reach me Saturday (plotting day), please leave messages on both my cell and home phones.

ENTRY FEES TDX \$125.00 VST \$150

Make checks and money orders payable (in U.S. Funds) to CABTC and mail to the Test Secretary. You will be notified by phone or email within 24 hours after the draw. Please include either or both so that I can contact you. Entries need to be on an official AKC form, signed and include the entry fee.

DRAWING OF ENTRIES - Entries shall be accepted up until the official closing date, even though the advertised limits have been reached. Please do not send an entry that requires a signature for acceptance. I am not always at home! Entries will be drawn by the Test Secretary on **Thursday April 27, 2023 at 7 PM** at her home. The drawing shall be completely random among all entries received, whichever test is entered. Preference is given in each test for dogs who do not already have that title. When the advertised limit has been drawn, all remaining entries, subject to the same preferences set forth above, shall be assigned a position on the Alternate List corresponding to the order in which they were drawn. In the event that a test does not fill 1 TDX can be exchanged for 1 VST and vice versa. **THERE WILL BE A WORKER DRAW TO TAKE PLACE BEFORE THE REGULAR DRAW AS PER AKC REGULATIONS & THE GUIDELINES LISTED ON OUR COUPON. THERE WILL BE ONE VST TRACK AVAILABLE AS A WORKER TRACK.**

ENTRY REFUNDS: Entries who pass an AKC approved test after the closing date of this test may withdraw from this test with full refund provided the test secretary is notified before the test date and there is an alternate to replace the entry. Call me as soon as you know! Those who decline to be placed on the alternate list shall have their entry fees returned or destroyed in my shredder. Any dog who makes the draw but cannot run may also have their fees returned only if an alternate competes in their place.

ENTRY FEES SHALL NOT BE REFUNDED in the event that a dog is absent, disqualified, excused by a Veterinarian or Judge, or barred from competition by action of the Show Committee. Exhibitors are governed by rules and regulations of the AKC and local ordinances. The well-being of the exhibitors, dogs and spectators is of paramount importance. In the event it is necessary to cancel or stop the event before completion, no refund of entry will be made.

DRAWING FOR TRACKS: The Judges will assemble the participants in the test site parking lot for a drawing by lot for the track number of each participant. **The time for each draw will be stated in judging program.** The order in which tracks are run and the number of each track shall be determined by the Tracking Judges. Judging will begin as soon as possible after the draws.

ALTERNATE ENTRIES: If an accepted entry is absent on the day of the test, the Test Secretary will determine if any alternates are present. Alternates will draw for available tracks based on their place on the alternate list. If no alternates are present the judges will designate someone to draw for the absent dog, who may run the track if it arrives before the track is scheduled to be run. If it does not arrive by then it will be marked absent.

PRIZES - Each passing team shall receive a memento of their achievement
INCIDENTALS: There will be a portapotty at the site. The TDX cover varies from mowed grass to waist high grass and weeds, perhaps farmers fields. There are ponds, streams, pine forest, an orchard and woods. VST cover is the same but with parking lots & paths. This is a working convent and school and we are very lucky to have these grounds. You may have an inadvertent cross track by an older strolling nun. According to AKC regulations, keep your dogs on leash at all times and, of course, **please pick up your poop!** We hope to have continued access to this lovely site.
