## 1<sup>ST</sup> READING

**BROOKE MACNAMARA AND JOHN YACKAL-** *Household membership.* They have two mixed Border collies, Valeria and Valkyrie and are expecting a Norwegian Buhund puppy later this year. John and Brooke are active in agility and have already volunteered at agility trials.

**Brooke:** I began with Wednesday morning 101 with Jane Bush and Chuck Pilny, followed by the 102 Class Wednesday morning and I am currently in the 9 am slot Wednesday Morning, now taught by Janice Bourell-Casey.

I want to support the club that has supported me through my agility training. I have participated in Agility 101, 102 and now an advanced class. I've volunteered at a CABT sponsored agility trial.

I'm a research professor at Case Western Reserve University. My only active hobby is dog agility as much of my time is spent working. That said, I attend classes weekly and trial on average 6 days/month. I also enjoy watching tennis when I have time.

**John:** I began with Wed. Morning 101 with Jane Bush and Chuck Pilny. My time slot has moved around a bit the last few years but I am still attending Wed morning with Janice Bourell-Casey.

As I've stepped up my trialing participation over the last year, the Cleveland dog agility community has become my primary social circle in the area. It's a very friendly and supportive community, and I like to give back to it by joining Cleveland All Breed where my experience began. I hope to be able to contribute my time in future events and to the club in general.

Since being comfortable enough at trials, I've tried to be helpful to other handlers whenever possible. I've volunteered a little at some club agility trials and plan to help course build at future trials.

I'm a New Jersey boy who came to Cleveland in 2014 when my wife, Brooke was hired at Case Western Reserve University. In NJ, I worked for several years as a paralegal. In Ohio, I'm primarily a

house spouse, although I started a small S-Corp during my 2020 Quarantine to publish Dungeons and Dragons game material. My other hobbies include Role Playing Games, Strategy Games, Miniature War Painting and Gaming. I'm a sports fan of Tennis and the Philadelphia Eagles. I grew up with a pair of American Eskimos. A German Shepard once babysat me as an infant (so I'm told.)  
*Sponsors:* Kathie Lester and Janice Bourell-Casey.

**TERESA KEMP-** Teresa has an Australian Shepherd and an Australian Cattle Dog have taken AKC's S.T.A.R. and Puppy 1 through FS3 and is enrolled in Attention 1 with my Aussie. My ACD has been in FS1, FS2 and FS3.

I'd like to meet people who share my enthusiasm/love for all dog breeds. I'd like to continue elevating my understanding/knowledge of dog obedience, activities, training techniques, etc. CABTC offers an excellent resource to network and grow as a responsible dog owner. I've volunteered multiple times at the Scent trials.

I've been living in the NE Ohio area for 25 years. My husband and I relocated from Denver, Colorado. I work at Emst & Young LLP. I enjoy spending time walking with my dogs in the Metro Parks. Last October 2022, my Aussie and I participated in our first Fast CAT event. My goal is to continue taking courses so we can participate in the agility trials.

*Sponsors:* Bernadette McFadden and Cindy Chaytor

**CANDICE + JASON JENISEK-** *Household membership.* Candice and Jason have a Rottweiler mix, Lab mix, American Pitbull Terrier and a Nova Scotia Duck Tolling Retriever.

Shrimp (the Toller) first well-bred dog and I'm hoping to find a community where I can grow with him! I'd love to be able to help him reach his full potential in both the show ring and competition sports. I'm brand new to the club and excited to help out in any way I can! We're both willing to volunteer and would like to volunteer more if available.

I (Candice) just graduated last year with my bachelor's in biology and have spent the past few months building up my pet professional career, offering services such as dog walking, overnight visits, drop ins, excursions and more to the residents of Lake County. I enjoy reading, working with my dogs, hiking, and baking in my free time. I've always had a passion for animals and am excited to bring my dad (Jason) into it as well. He used to show Cardigan Welsh Corgi's as a kid but fell out of love with animals as he got older and had some bad experiences. Now, he has a goofy APBT (James) and co-

owns Shrimp (Toller) with me and wants to learn more about what it takes to work with dogs in this capacity.

*Sponsors:* Kara Girvin and Carol Godzick

**ALISON DEBROUX-** Alison has Shetland Sheepdogs and has participated in obedience, rally, agility, conformation, and puppy classes.

I really appreciate the community and to become more involved. I was a ring steward at the summer obedience trials in 2021 and 2022.

I spent twenty-five years as a video producer and graphic artist. I'm retired now and devote my time to training and showing my dogs. I play clarinet in a community band and editing the monthly newsletter for a local Audubon chapter.

*Sponsors:* Cheryl Sacerich and Suzanne Stachurski

## 2<sup>ND</sup> READING

**ROBERT RACHOW-** Robert has Border Collies and had participated in many classes, most recently agility contacts, weave pole, advanced beginner agility and trial challenges.

I was a key bearing member and taught agility classes up until 2007 when some circumstances e to have to let my membership lapse. I have been back at CABTC for the last 4 years and forced been very active, helping and working at the agility trials. I have many friends here and some I consider family, and I'm interested in getting back into teaching, as I miss it.

I have 40 plus years in the landscaping field and I'm thankful to work in a field I enjoy. I'm an avid gardener and I enjoy kayaking, biking, hiking and just about anything outdoors. I have a strong work ethic, good sense of humor (with filters) and I'm good with people. Of course, dog training is my passion. I enjoy hard work and have a strong sense of responsibility.

*Sponsors:* Jean Bonness and Sue McGinty

**MARHTA CALWELL-** Martha has a Belgian Sheepdog and a Belgian Tervuren and has attended agility run throughs and B Matches at CABTC. Many years ago I took 2x2 weave training.

I'd like to join CABTC to participate in a community with other people who love working with and spending time with their dogs. I volunteer at both agility and scent trials. At agility trials I also assist with clean up and packing after the trial. I have also helped with running B-Matches.

I have worked as a database project manager at Ernst & Young for over 20 years. In my free time I enjoy working with my dogs in agility, scent work, fast cat and dock diving. Most of my weekends are

spent doing one of those activities. In addition to dog sports I participate in a book club with co-workers. I also love to organize volunteer events at the Cleveland Food Bank and managing our adopt a family holiday program for my team and Ernst & Young.

*Sponsors:* Debbie Sacerich and Cindy Chaytor

### 3<sup>RD</sup> READING

THERE ARE NO THIRD READINGS.

We are looking to update the CABTC website with pictures of members' dogs. If you have some you would like to share, please send them to our webmaster, Chuck Pilny at [cpilny@twc.com](mailto:cpilny@twc.com). Landscape format is the best.

Thanks,

*Chuck Pilny & Steve Likevich*

Please remember to pick up after your dog. Lately there have been several piles of stool left in the potty area. Bags are available to anyone who needs them. Also, several weeks ago an instructor came into the building to prepare for class and found stool in Suite A. Accidents happen, but please clean up after your dog.

On that note, be aware that coyotes have been seen close to the CABTC building.

If you notice any corrections that need to be made to the information on our website please contact Chuck Pilny at [cpilny@twc.com](mailto:cpilny@twc.com).

You may have noticed Suite A was without heat for what seemed like ages. Many thanks to **Deb Kaufman** for getting estimates and taking charge of the planning for new heaters to be installed. Everyone is happy to have our heat restored!

Congratulations to our new lifetime members, Elaine Moore, Deb Peck and Deb Kaufman.

*Elaine Moore*

**Debbie Peck**

Dogs have been a part of my life for forever, but as a young adult I acquired my first pure-bred dogs and started competing in obedience competitions. Shortly after being introduced to the dog show world through obedience trials, I started breeding my English Springer Spaniels under the Sademont kennel name, trying very hard to keep the beauty, trainability and intelligence in the breed while maintaining the health and genetic integrity.

My dogs compete in shows through-out the country including the famed Westminster Kennel Club. Fortunately, my husband and two children enjoy the dogs, because over the last 45 years most of my spare time has been spent competing and promoting the sport of dogs. I have titled dogs in obedience, tracking, conformation, agility and scent work.

Most of my life was spent in Vermont where I was very active in conformation and obedience. Upon moving to Ohio in 1999, I quickly became involved with Cleveland All-Breed teaching puppy, conformation and agility classes. I have taken many leadership positions in dog clubs including president of the English Springer Spaniel Parent Club president of The Champlain Valley Kennel Club, President of the Eastern English Springer Spaniel Club and 8 years as the president of Cleveland All-Breed Training club. I've served as an event chairperson for dog shows and agility trials.

I am currently focused on breeding my Springers and trying to re-establish the once active Lake Erie English Spring Spaniel Association.

I am very honored to be voted into Lifetime Membership. Thank you all!

*Debbie Peck*

**Deb Kaufman**

Thank you for accepting me as a Lifetime Member and for the beautiful flower arrangement to mark the occasion. It is an honor to be in such good company!

I have always loved dogs. My first childhood dog was an All-American named, Holly. I remember setting up jumps in the basement and teaching her how jump singles and triples. As an adult, my first “show dog” was, Mega, an 85-pound Bouvier. Our first class at CABTC was the McDonald’s Attention class back in the early 1990’s.

Outside of CABTC, I am a member of the Lagotto Romagnolo Club of America, The American Bouvier des Flandres Club, and The Bouvier des Flandres Club of Southeastern MI.

I've been a member of dog clubs for many, many years and served in a variety of positions. At CABTC, I served as an Office Manager and an Agility Instructor for Beginners, Advanced, and Trial Challenges. Currently, I teach Intermediate Agility. In 2006, I was nominated to serve on the Board and was pleased to continue in a variety of Board positions for most of the years since then. I worked with the BdFC of SEM to create an Agility program and served as the Agility Trial Chair for 10 years. I also served as the Agility Trial Chair for the ABdFC Specialty.

In addition to teaching and Board positions, I served CABTC in several other ways:

- 1) as liaison to the SportsPlex and now CAPS Fieldhouse. In this position, I work to organize the club's interactions with the facility including equipment storage and rentals, building preparation, trouble shoot any problems, and in general, the person the facility can contact for any issue that arises with the club, personnel, or dogs.
- 2) Chair of the Rental Committee and Liaison to Breed Clubs/Special Events/Non-Breed Clubs who want to rent equipment, facilities, or combine with our trials for their special events.
- 3) Liaison to Event Chairs for event planning. Assist to organize the club calendar. Including working with Die-Matic for reserving event parking.
- 4) Unofficially, I have worked with Facility Maintenance to address safety and general improvement projects around the club.

I am committed to dog sports and good sportsmanship. I have shared my home with 5 Bouviers and

now my two Lagotti - Nicky and BuZzy. By the amount of ribbons and title certificates floating around, I guess I have had some success in showing my dogs in Conformation, Obedience, Herding, and my particular favorite – Agility. I recently added Trick Dog titles to our list.

Professionally, I am a retired Ohio licensed and nationally certified Speech-Language Pathologist who worked with adults with multiple disabilities. The camaraderie of club membership and dog sports in general has provided friendship, joy, therapy, and accomplishment. Thank you for honoring me with a Lifetime Membership!

With Gratitude,

*Deb Kaufman*

# AMERICAN KENNEL CLUB

## GOVERNMENT RELATIONS DEPARTMENT

EXCERPTS FROM THE  
**American Kennel Club, Inc.**  
**MEETING of the BOARD OF DIRECTORS**  
**AKC Offices at 101 Park Avenue, New York, NY**  
**January 7-8, 2023**  
**Submitted by Maureen Setter**

### **AKC Education**

#### **Obedience Judge's Education**

Courses 1-3 will be launched as a single program, "Judging Obedience," in Q1 of 2023, followed by a phased launch of the remaining courses.

#### **Groomer Education – Master Groomer Exam and Course Bundle**

AKC Canine College helped to expand the Groomer Education catalog by creating the new Master Groomer Exam and adding a series of individual exams and course bundles.

#### **Bailey's Book Club**

In April 2022, AKC Public Education launched Bailey's Book Club. This program is designed to provide Title 1 schools throughout the country with dog-themed books and resources. Title 1 schools are those that are federally funded to support educationally and economically disadvantaged children to help ensure they receive an equitable, high-quality, and well-rounded education. A school is considered Title 1 if students from low-income families make up at least 40% of the school's enrollment.

This program is intended to increase literacy skills amongst students who are underserved, as well as foster in them a love for reading and dogs. In 2022 the department had 428 schools sign up to receive free books. Books have been collected at AKC events such as RDO Day, Meet the Breeds and are collected by clubs or individuals and donated by multiple authors. The books are labeled with the name of the donor and are then packed with additional resources that can be used, along with the books, and shipped to the schools that have applied. A third-grade teacher at an elementary school in

Ohio said, “Thank you so much! I am so excited to share these books with my class and other students in the building. The kids rarely get new books, and this will be such a treat!”

After launching Bailey’s Book Club program, the Public Education department developed the necessary resources to support clubs to host book collections and distribute books to their community. Nineteen clubs and a junior participating in a 4H program signed up to collect books for their local areas.

### **Read with Bailey**

“Read with Bailey” is AKC Public Education’s newest initiative. This program provides videos that feature dog-themed children’s books. Videos include images of the book and fun sound effects. Each video ends with a Public Education resource linked to the story. Some of those resources include dog breed fact sheets, information about safety around dogs, and resources in Spanish. The books featured in this program help children learn about dogs and the importance of the human-canine bond. The book titles are intentionally selected to celebrate diversity and be inclusive. There are bilingual books such as “Perros! Perros! Dogs! Dogs” and books on different holidays such as “Clifford Celebrates Hanukkah.” Videos are uploaded to the AKC YouTube channel and are released twice a month. Currently, there are seven read-aloud books uploaded to YouTube. Combined, they have over 3,000 views and over 70 likes.

## **COMPANION and PERFORMANCE**

### **Jump Equipment Changes – Obedience and Rally**

The Board reviewed a recommendation to modify the Obedience Regulations to allow clubs the option of using 4-foot-wide jumps and to **modify the Obedience and Rally Regulations to transition to high jump panels that are displaceable**. Following a motion by Mr. Tatro, seconded by Mr. Sweetwood, the Board VOTED (unanimously; absent: Dr. Knight) to deny the recommendation at this time.

*Additional comment from Maureen Setter: MAD agility, Max 200, J&J for a few are already looking into how to make the obedience high jump displaceable.*

### **Parent Club Request for Three Quarter Jump Height in Obedience – Teddy Roosevelt Terrier, Field Spaniel, and Cane Corso**

The American Teddy Roosevelt Terrier Club, Field Spaniel Society of America, and the Cane Corso Association of America have requested that the jump height requirement in Obedience for their breeds be lowered to three-quarters the height of the dog at the withers.

This will be discussed further at the February meeting.

The Board has also requested that the Delegate Companion Events Committee discuss the possibility of changing the Obedience Regulations to allow all breeds to jump at three-quarters the height of the dog at the withers.

## **Management of Dogs Attempting to Leave the Ring While Being Judged – Obedience and Rally**

The Board reviewed a recommendation to modify the Obedience & Rally Regulations to provide instructions to judges and stewards on how to manage a dog that leaves its handler and attempts to leave the ring while competing.

Obedience and Rally competitions require that the dog always remains under the handler's control. However, sometimes a dog leaves its handler during the performance, does not return to the handler when called, and may even leave or attempt to leave the ring.

Staff recommends that the judge instruct the stewards not to reach for or grab a dog to stop it, but if the dog is not responding to its handler's commands, the judge may advise the stewards to attempt to block the dog from leaving if it is safe to do so. The dog will then be released from the ring. This will be discussed further at the February meeting.

## **Agility International Sweepstakes Class (ISC class) Expansion**

The Board reviewed a recommendation originating from the Agility Department and the International Sweepstakes Class (ISC) Advisory Committee to expand the International Sweepstakes class in Agility by adding two additional lower levels. Adding lower-skill level ISC classes will encourage the participation of those new to international course design and challenges. These are non-titling classes.

This will be discussed further at the February meeting.

## **International Sweepstakes Class Updates**

The Board VOTED to realign the AKC Agility Non-Regular International Sweepstakes Class with the updates of Fédération Cynologique International (FCI) Agility Rules which will go into effect on January 1, 2023.

The International Sweepstakes Class was designed to offer classes where exhibitors could demonstrate their advanced training and handling skills on international-style courses. Every five years, the FCI Agility Commission reviews the rules and guidelines for Agility, and the changes affect all countries that have teams that compete at the FCI Agility World Championship, FCI European Open, and FCI Junior Open Agility World Championship. Those changes directly impact the AKC International Sweepstakes Class (ISC) because the class is based on the FCI Agility Program.

## **CONFORMATION**

Request from the Labrador Retriever Club of the Potomac The Labrador Retriever Club of the Potomac is asking the Board to support a change to Chapter 16, Section 1 of the Rules Applying to Dog Shows to allow the Reserve Winners at their show, which is the world's largest Labrador Retriever Specialty to be awarded a three-point major if the number of exhibitors competing in the regular classes for the sex is at least twice the number required for five points.

This will be discussed further at the February meeting.

The Board of Directors will seek feedback from the Dog Show Rules Committee on this concept in general.

### **Dog Ownership Requirements for Juniors 6-month**

Update In May 2022, the Board approved a one-year pilot program that eliminated the dog ownership requirement to be entered into Conformation Junior Showmanship. The Staff provided an update. The anecdotal comments have all been positive, with a decline in the necessity to transfer dogs on Monday morning for Juniors. The average percentage of Junior Showmanship entries by non-owners has increased since the rule change.

### **Signatures Required for Semen Transfer**

The Board VOTED to modify AKC Procedures for Registration Matters, Chapter XI. Artificial Insemination, Section C as noted below: AKC Procedures for Registration Matters Chapter XI. Artificial Insemination, Section C, "An owner of the sire or semen must sign the form transferring ownership of the frozen semen." This change will make it easier for semen to either be used today or preserved for future generations.

### **National Obedience Championship**

The Board VOTED to approve a recommendation to modify the Obedience Regulations to allow the redistribution of states to host a regional qualifying event for the National Obedience Championship (NOC) in two specific regions. This modification aims to increase the availability of clubs to host qualifying events in Regions 2 and 10.

The change in Obedience Regulations will move New York from Region 1 to Region 2 and to move Minnesota from Region 6 to Region 10.

Alley recently earned her Fast CAT FCAT 4 title. She will soon be 11 but still loves running.

Gif was invited for the 3rd time to the '22 AKC FastCAT Invitational in Orlando. This year she took 2nd place among all the 1.5 handicap dogs with a 6.945 sec run. She has her CA & DCAT5 titles.

Gif also loves competing in Flyball. She recently earned her ONYX title for earning 20,000 racing points. Her next goal this year is reaching 30,000 points. Gif is run in the fast lanes. In Agility Gif went from no JWW legs to Exc JWW title in 1 year with time out

for a broken foot (took 3 months to heal). She is now in Masters and has 54 PACH points, has her Open STD title, 5 legs in T2B, 2 legs in Exc FAST and 3 in Mas JWW. Gif is an awesome dog but too fast for me to run in agility (I'm 81) so a friend handles her for me.

*Maureen Setter*

New OTCH title was earned by Switch & Mike MacDonald in the 3/5/23 German Shepherd Dog Trial. They finished in style with 3 Open-B wins & 3 High in Trials scores 199, 197.5, 198! Switch has 3 championship titles and 2 GRCA Hall of fame titles for Obedience & Agility.
