EDIE LE BOUTON – I have Labrador retrievers. The classes I’ve taken are Puppy, Puppy 1, FS1, FS2, FS3, beginners agility, advanced beginners agility, advanced intermediate agility and advanced agility. Years ago, CABTC offered a weaving class where we learned to weave our dog into the first pole from any angle, Good Canine class. Four of my dogs have trained at CABTC.

My hours were cut during COVID and I had to buy my own insurance from the market place. I had little extra money so some things had to go. Membership at CABTC was one thing. Now I have money again. I still volunteer at special events and CABTC trials that are held at the building.

Back in the early 2000’s, before I knew you could belong, I worked every single trial Yann, and I went to. After I joined the club, I worked every single trial Samson, and I went to and now I work every trial Hank and I go to. I have helped teach Puppy 1 and Puppy 2 and have worked in the office.

I’ve continued volunteering in 2023 and am willing to do it as I have already proven.

I retired from my tech job. I work with Hank (Samson is 13 now and has bad hips). Hank and I are working toward the field trials. I went and watched one recently and learned a lot while I was there. Hank runs in FastCat. I garden, read, and enjoy my life.

GAYLE RANDALL – I have an English Springer Spaniel, Alvie, and a Brittany Spaniel. We have taken 19 classes including FS1, FS 2 and FS 3, Attention 1 & 2, three Rally classes and Tricks and Games.

I love taking classes and working with Alvie. I enjoy the training and I love learning from others. I'm hoping to learn more about showing.

I'm willing to volunteer at club events. I haven't yet because I didn't know was offered. I love learning and experiencing new things with Alvie.

I am an avid reader. I still work full-time. I love taking classes with Alvie. We are selling into our 150-year-old farmhouse and moving to a condo! I love to garden and will now have a much smaller yard. We walk/hike every day. I love to travel.

Sponsors: Margie Wunderle and Laura Comerford

KATRINA KOEHNLE – I have a Rottweiler and we've been taking agility classes on Wednesday mornings for three years.

I'm getting more involved with agility and went to Invitationals last year. I'm getting a puppy, hopefully, in the next few months. I tried agility with my other two dogs before and it didn't work out for them. I have volunteered at trials and am willing to continue to do so.

I'm also a horse-riding instructor, so I have teaching experience.

Sponsors: Kathie Lester and Janice Bourell-Casey

3RD READING

Alicia Aguilar – I have a Pembroke Welsh Corgi and a Cardigan Welsh Corgi. We've participated in Foundation Skills I, 2, and 3, Beginner Novice, Novice, Beginner Open, Utility A, Future Stars, and Agility 102.

I would like to get more involved in club activities, including helping out with trials. I have an interest in teaching classes eventually as well. I volunteer at all of the agility trials that I am at and try to help out others when they need it and would be willing to continue to volunteer.

I grew up in Oklahoma and moved to Cleveland for the MD/PhD program at Case Western Reserve University. I am currently working on my PhD in Immunology. I have gotten into strategy board games in the past couple years, so I'm doing a lot of that now. I also play the bassoon and piano and like to join games of pick-up soccer when I can.

Sponsors: Kay Wood and Janice Bourell-Casey

BROOKE MACNAMARA AND JOHN YACKAL- *Household membership.* They have two mixed Border collies, Valeria and Valkyrie and are expecting a Norwegian Buhund puppy later this year. John and Brooke are active in agility and have already volunteered at agility trials.

Brooke: I began with Wednesday morning 101 with Jane Bush and Chuck Pilny, followed by the 102 Class Wednesday morning and I am currently in the 9 am slot Wednesday Morning, now taught by Janice Bourell-Casey.

I want to support the club that has supported me through my agility training. I have participated in Agility 101, 102 and now an advanced class. I've volunteered at a CABT sponsored agility trial.

I'm a research professor at Case Western Reserve University. My only active hobby is dog agility as much of my time is spent working. That said, I attend classes weekly and trial on average 6 days/month. I also enjoy watching tennis when I have time.

John: I began with Wed. Morning 101 with Jane Bush and Chuck Pilny. My time slot has moved around a bit the last few years but I am still attending Wed morning with Janice Bourell-Casey.

As I've stepped up my trialing participation over the last year, the Cleveland dog agility community has become my primary social circle in the area. It's a very friendly and supportive community, and I like to give back to it by joining Cleveland All Breed where my experience began. I hope to be able to contribute my time in future events and to the club in general.

Since being comfortable enough at trials, I've tried to be helpful to other handlers whenever possible. I've volunteered a little at some club agility trials and plan to help course build at future trials.

I'm a New Jersey boy who came to Cleveland in 2014 when my wife, Brooke was hired at Case Western Reserve University. In NJ, I worked for several years as a paralegal. In Ohio, I'm primarily a house spouse, although I started a small S-Corp during my 2020 Quarantine to publish Dungeons and Dragons game material. My other hobbies include Role Playing Games, Strategy Games, Miniature War Painting and Gaming. I'm a sports fan of Tennis and the Philadelphia Eagles. I grew up with a pair of American Eskimos. A German Shepard once babysat me as an infant (so I'm told.)

Sponsors: Kathie Lester and Janice Bourell-Casey.

TERESA KEMP- Teresa has an Australian Shepherd and an Australian Cattle Dog have taken AKC's S.T.A.R. and Puppy 1 through FS3 and is enrolled in Attention 1 with my Aussie. My ACD has been in FS1, FS2 and FS3.

I'd like to meet people who share my enthusiasm/love for all dog breeds. I'd like to continue elevating my understanding/knowledge of dog obedience, activities, training techniques, etc. CABTC offers an excellent resource to network and grow as a responsible dog owner. I've volunteered multiple times at the Scent trials.

I've been living in the NE Ohio area for 25 years. My husband and I relocated from Denver, Colorado. I work at Ernst & Young LLP. I enjoy spending time walking with my dogs in the Metro Parks. Last October 2022, my Aussie and I participated in our first Fast CAT event. My goal is to continue taking courses so we can participate in the agility trials.

Sponsors: Bernadette McFadden and Cindy Chaytor

CANDICE + JASON JENISEK- *Household membership.* Candice and Jason have a Rottweiler mix, Lab mix, American Pitbull Terrier and a Nova Scotia Duck Tolling Retriever.

Shrimp (the Toller) first well-bred dog and I'm hoping to find a community where I can grow with him! I'd love to be able to help him reach his full potential in both the show ring and competition sports. I'm brand new to the club and excited to help out in any way I can! We're both willing to volunteer and would like to volunteer more if available.

I (Candice) just graduated last year with my bachelor's in biology and have spent the past few months building up my pet professional career, offering services such as dog walking, overnight visits, drop ins, excursions and more to the residents of Lake County. I enjoy reading, working with my dogs, hiking, and baking in my free time. I've always had a passion for animals and am excited to bring my Dad (Jason) into it as well. He used to show Cardigan Welsh Corgi's as a kid but fell out of love with animals as he got older and had some bad experiences. Now, he has a goofy APBT (James) and co-owns Shrimp (Toller) with me and wants to learn more about what it takes to work with dogs in this capacity.

Sponsors: Kara Girvin and Carol Godzick

ALISON DEBROUX- Alison has Shetland Sheepdogs and has participated in obedience, rally, agility, conformation, and puppy classes.

I really appreciate the community and to become more involved. I was a ring steward at the summer obedience trials in 2021 and 2022.

I spent twenty-five years as a video producer and graphic artist. I'm retired now and devote my time to training and showing my dogs. I play clarinet in a community band and editing the monthly newsletter for a local Audubon chapter.

THANK YOU CABTC FOR THE LOVELY GET-WELL CARD AND GIFT CARD IT IS VERY MUCH APPRECIATED AND YOUR THOUGHTS AND WELL WISHES HAVE MEANT THE WORLD TO ME! I MISS EVERYONE AND AM FIGHTING MY WAY BACK TO WHAT I LOVE AND ENJOY DOING WITH MY CABTC FAMILY!

Diane Brzezinski

The Board received a thank you letter from Michelle Toris regarding the recent Scent Trial. Michelle wrote, *"I've worked events and know how much work goes into them and participants usually don't take the time to properly thank everyone that makes it possible. A positive experience keeps people coming back. We definitely will be looking for more trials in the future."* Thanks for such great feedback, Michelle.

To Our Agility Friends at CABTC

Mark and I want to thank you for the beautiful flower you sent in memory of "Kirby". He was the best part of our family, so fun and loving. We have such wonderful memories of him with all the training and trialing.

Thank you so much for all your support during this difficult time.

Pam & Mark Eberts

Dear CABTC Members,

Thanks to everyone who offered their condolences after the passing of my Dad and then my Mom just five weeks later. Whether you attended the funeral and gatherings, sent a card, wrote a note, offered kind words or a hug, I sincerely appreciate every expression of comfort. I am thankful that at CABTC our connection extends beyond our love of dogs and to the humans at the end of the leash.

With Gratitude,

Deb Kaufman

FROM THE OBEDIENCE CORNER.....

September 2023

Well summer is now a fleeting memory and Fall has begun to grace us with the changing of the season and displaying its beautiful, colorful harvest scenery all around us!

Summer classes were over the end of July beginning of August, giving those summer instructors the break they truly needed. And things were a bit quiet for a couple of weeks at the building. Thank everyone who volunteered to instruct during the summer! You are so appreciated!

However, as they say there is no rest for the "wicked" and before you know it, Registration was sending out her request for the FALL SCHEDULE by July 1, 2023 – Really?? Yes, it is a long, tedious job building the classes in system and be able to have the classes be available and open for students to Register for Fall classes starting Aug 15 & 16. But before classes can be built, we need to know what classes we are doing and who is teaching them! That is my job along with the assistance of Kay. As you may or may not know, I was scheduled for cervical surgery July 7, 2023 so meeting that July 1st requested date was a need to do by date for sure! I personally want to thank every instructor who is teaching beginning the Fall Session how extremely grateful for how quickly you all stepped up and responded to me your intentions to teach so I could meet this scheduled date. Words cannot express how extremely grateful I was to each one of you. There already has been an additional class added to the Fall Schedule – CABTC will be offering a Novice class on Friday mornings at 11am replacing the Ring Ready class for Session II & III to see if we can fill the need of so many students wanting to get into a Novice class. Spread the word!!

The CABTC stand-alone Rally Trials were held the weekend of June 24-25, 2023, the Rally Trial was full and enjoyed by many Rally enthusiasts. Thank you to the entire Rally Trial Committee for a fantastic job well done!

CABTC's Obedience Only Trial was held about a month later, the weekend of July 22-23, 2023. Thanks goes out to the "Go High in July" Obedience Trial Committee who without a doubt put their heart & soul into making their trial the best that it can be. This trial was no exception.

Remember to mark your calendars for our CABTC Fall Obedience & Rally Run Thru, Sunday, October 15, 2023. Cathy Flynn will be reaching out to all members for volunteers to help in our obedience rings and rally rings. Anyone helping work the Run Thru can earn \$5.00 towards a run of their choice. Not far behind the Run Thru date, our CABTC “Fall Back in November” Obedience & Rally Trials will be held the weekend of November 4 & 5, 2023. Premium is already up and posted on our CABTC website under Obedience Trials.

I would like to announce Stacy Ranier (joined in 2022) will be taking over the duties of CABTC CGC Tests Organizer (5 CGC Tests provided to students as part of our beginner obedience program after completing the recommended FS I, FS II & FS III classes). Our 1st CGC Test for the Fall Class Schedule will be held on Thursday, October 19, 2023. Please welcome Stacy and those who love helping for these CGC Tests continue giving to this rewarding opportunity!

Hoping for a long and beautiful Fall season to enjoy and treasure well into the winter months. Whatever mother nature has in store for us this Fall..... have fun and be safe!!

Diane Brzezinski for
CABTC OB Dir of Training Team

It cannot be denied. Some dogs are just hungrier than others when it comes to learning about the rules of Obedience! Duncan has literally gobbled up the rules! And here us silly humans still insist on reading the book.

Many say Bulldogs can't swim but Tyson is giving it a good splash.

Carol & Al Godzick

First outdoor trials for Butter at Lorain KC 8/12&13, and first time showing in the rain and a bad storm. She held on! Her 10th trial in the RACH classes in just 3 weekends out. She earned her RM & RAE titles! She earned her 6 HTQ & 8 HC. She is still a wild puppy and I love working and showing her.

Linda MacDonald

Butler achieved his Mach 13 on 8/25/23 at CAPS and his MJC4(400 master jumpers Q's) on 8/27/23!

Ramona Cartwright

Our big day in Admiral Perry show in Erie, PA.

We got two titles: RAE and Rally Master and a first leg in obedience Novice, First Place and \$20. We also had High Combined in 1st trial Rally and \$25. Plus, placements in both rally trials, they gave out toys with placements.

Bernadette McFadden and Ivy

Xander finished his MACH2!

Kathie Lester

Hartley earned his AKC Scent Excellent Exteriors (SEE) title on 8/20 at YABTC. On 9/3 he earned his NACSW NW3-Exterior title. He likes Exteriors! (Hartley is the one with gray on his muzzle)

Dare earned his NACSW NW3 ELITE title on 9/2 placing first or second in all elements, taking High in Trial and earning an OVERALL POUNDING for the day which is a rare honor. I couldn't be prouder of him.

I am proud of both my boys!

Ann Smorado

Gif ran with Endless K9's in the AKC Agility League's Senior Division. AND her team finished this last season as the Senior division Reserve Champion. Plus, her team had a clean sweep which means she had 6 clean runs. The Agility League play is a lot of fun. This was our 1st time competing and we have already signed up for the next season starting this coming Monday.

On September 2, at Bratty Paws in Punta Gorda Florida, Gif earned her MXJ Preferred agility title. From about April until late September, agility trials down here are pretty much on hiatus.

At the Jumpin' Jax "Welcome to Barkville III" flyball tournament they selected a "Dream Team" from all the dogs entered. To my great surprise (and honor) they selected Gif for the team and as start dog!

Maureen Setter and Gif

Debbie Klein is proud to announce her very first breed champion, Mindi, is now CH Whiteoak's Pretty Good For A Girl NAP CGC!

Debbie Klein

VALOR

It has been 5 years since I have attended an ABTC National, and it is safe to say Valor enjoyed being able to attend the American Belgian Tervuren National Specialty! Valor as you will read was the STAR, Valor was entered in obedience Veterans, Versatility, Obedience Team & Rally Team. In Veterans he earned 2nd Place, NQ in Versatility. In Obedience Team – Rhinestone Cowdogs we

earned 3rd Place. Our Rally Team – Golden Oldies (Valor & I have not been in Rally for 8 years) earned 1st Place with all 4 teammates receiving a perfect score of 100 for a total team score of 400! It was a busy day for Valor doing 4 classes, his last class was Obedience Team and you got to love this boy, tired as he was (he did his sit & down with closed eyes) for being such a great partner for his not so steady handler!

The next day were the Breed classes. Mind you, each time Valor went into the ring he was handled by a different person but that did not matter to him, he was out there having the “the time of his life”!

Valor was entered in Veterans Sweeps (10-12 Years), Working Sweeps 2 and Regular Veterans (10-12 Years)! Earned 3rd Place & \$13.48 in Veterans Sweeps, 2nd Place & \$9.24 in Working Sweeps 2 and 1st Place in Regular Veterans (10-12 Years) allowing him to go on to compete in BOB where he “made the cut” allowing him to stay in for one more round for BOB! His beautiful sister Lynah beat him for Best Veteran and Best Owner-Handled! The “girls ruled” in BOB and words cannot express how proud Valor and I were to see his lovely, versatile daughter “Nyx” awarded Best of Breed!!

McFLY

McFly was entered in obedience only – Novice & Graduate Novice NQ'd in both classes! She did some nice work but just could not hold it together and was a little overwhelmed by at chaos and noise. If she could comment on any of her experiences at her 2nd National, she would tell you the gathering of people and dogs, more people, and dogs in one Hotel hallway because of a tornado warning was something she NEVER wants to do again. But she trusted in me that we would survive, and we did!
