

Vendor Information

Cleveland All-Breed hosts a number of events each year in multiple competition venues. Since our trials are diverse in size, location and available space, the trial Chairperson will determine the vendor requirements that best suit their trial's needs. Requirements include, but are not limited to, vendor fee, number of vendors who may attend, where and when they can set up their vendor booth and deadline to apply for vending privileges. When possible, vendor information will be included in trial premiums. In some cases, a trial may not be able to accommodate vendors.

Below is a list of contacts for vendor convenience.

All Agility Trials –Pam Bonness – bonness01@yahoo.com
